ABOUT US

Sun Technical, the house of engineering products for Oil & Gas Industry, Petrochemical Industry, Power Generation, Food & Beverage Processing, OEM, CNG/NGV, Medical, Water Treatment, Scientific, Manufacturing Industry, Automotive, Marine (Onshore & Offshore) has built an enviable reputation by serving demanding clientele requirement in Middle East. **Sun Technical** is renowned not only for its unmatched services, profound knowledge & expertise but also for its quality products, timely deliveries Technical support and having inventories for standard products with warehousing facilities. Considering growing demand of our services **Sun Technical** has expanded its operation In UAE, "**Suntech**" is a group of professionals specialized in the supply and selection of Hook up Material, Instrumentation, Valves, Fittings, Tools and Accessories. We represent a wide Range of manufacturers/suppliers pertaining to Control & Instrumentation Industry, thereby catering almost complete range of engineering products that are consumed in various market segments.

Our Mission Statement:

"To aggressively grow our business and be the supplier of choice by drawing on the creativity, expertise and dedication of the **Suntech-Team**. We are committed to the path of continual improvement in quality, service and innovation and recognize our success is achieved only as a result of making our customers successful."

Our aim is to provide:

- ☼ Quality products at competitive prices
- ☼ Innovative solutions
- ☼ Technical knowledge
- ☼ Great Service

Key products:

- ☼ **Process Instrumentation** ; including Compression Fittings , Instrument Valves & Manifolds, High Pressure Regulator & Fittings , Pressure /Temperature Gauges, Solenoid Valves and Pneumatic Accessories etc.
- ☼ **Valves - Process** ; Including Gate Valves, Globe Valves, Butterfly Valves, Check Valves etc., from sizes 1/4" to 44" in Steel, Stainless Steel and Exotic Alloys. Electro–Pneumatic Actuators, Monoflange & Pro Blocks Double Block and Bleed, Branch Connection etc.
- ☼ **Pipe & Tube** ; 1/8" to 56" in Steel, Stainless Steel and Exotic Alloys.
- ☼ Seamless & Welded Casing, Tubing, Screens in Carbon, Alloy, Stainless & CRA Steels
- ☼ Seamless and Welded Boiler Tubes and piping components in Carbon, Alloy and Stainless steel
- ☼ Seamless and Welded Stainless Steel Tubes for Refinery & Petrochemicals

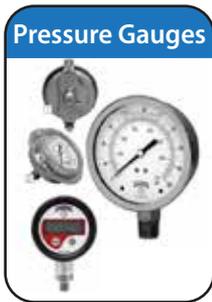

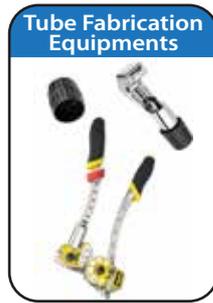

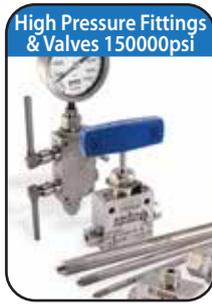

ABOUT US

- ⊗ Fin Tubes, U-Bends, Special Forging and Castings
- ⊗ High Alloy Centrifugal cast heat resistant Reformer Tubes and complete assemblies
- ⊗ Hollow Sections and Precision Tubes for various fields
- ⊗ Boiler special Rods & Flats in all sizes
- ⊗ ERW Boiler Tubes/Air Heater Tubes as per BS 3059 & BS 1775.
- ⊗ **Fittings** ; (Threaded, Weld Connections and Compression) in Steel, Stainless Steel and Exotic Alloys.
- ⊗ **Flanges** ; 1/2" to 56" in all variations in Steel, Stainless Steel and Exotic Alloys. Full line of Flanges including of Forged, all types: ANSI, API, BS, DIN, MSS, AWWA.
- ⊗ **Filtration System Solutions** ; Fuel Filters/ Water Separators, Filter Vessels, Jet Fuel.
- ⊗ Coalecers, Process Filtration & Separation, FDA grade Cartridges, Compressed Air & Gas Filtration, High Pressure for CNG ,Hydraulic & Lube Filtration, Portable Offline Filtration system, Flow, Pressure & Temperature Sensors .
- ⊗ **Filters** ; A full line of Filters including In-Line, Air, Oil, Diesel Fuel, Hydraulic, Liquid, Waste water, Water, Chemical, Automotive, Sand, bag, Cartridge, Active, Carbon Removal, Ceramic, Coalescing, Compressed Air, Continuous, Cooling System, Dust, Felt, Oil Mist, Disc, Drum, Foam etc.
- ⊗ **Fluid Connectors & Hoses** : A full range of Hydraulic, Industrial ,High pressure and Thermoplastic Hoses. Hose Cutting, Crimping, Cleaning and other accessories. Flare less 37degree Fittings, Quick Couplers and Cam/Groove, combination Nipples etc.
- ⊗ **Flow, Measurement, Protection & Accessory equipments** ; Full line of Transmitters, Positioners, Calibrators, Gauges, Transducers, Indicators, Sensors, Flow meters, Liquid Level instruments, Analyzers, Accelerometers, Flow Monitors, Excess Flow Valves, Regulators, Condensate Pots, Sampling Cylinders, Air distribution Manifolds, Gauge Siphons, Gauge Snubbers, Probes, Orifice Plates, Level Switches.
- ⊗ Compressors, Winches, Oscilloscopes, Voltage Sources, Clock gauges, Noise Level meters, Doppler Flow meters, Deadweight testers, Standard test gauges etc.
- ⊗ **Nuts and Bolts** ; Full range of Nuts & Bolts.
- ⊗ **Gaskets** ; Full range of Gaskets.
- ⊗ Industrial Tools
- ⊗ Safety Equipment, Solvents, Adhesives etc.
- ⊗ Chemicals, Corrosion Inhibitors etc.
- ⊗ **Services** ; We have the expertise to program and install the variable speed drives /PLCs / Power and Control panels /motors / instrumentations /electrification.

With worldwide contacts and sources of supply the combination of excellent Pricing, Deliveries, Quality & Customer Service are at a premium. We hope to build a lasting relationship with you.

PRODUCTS : PROCESS INSTRUMENTATION

PRODUCTS : INDUSTRIAL HYDRAULICS/PNEUMATICS

ISO Pneumatic Cylinders

Compact Pneumatic Cylinders

Round Body Pneumatic Cylinders

Rodless Pneumatic Cylinders

Rotary Actuators

Solenoid Valves

Metal Spool Valves

Namur Valves

2/2 Valves

ISO Valves

Compact Valves For Panels

Control Switches

Refrigerant Membrane & Dessiccant Air Dryer

Precision Regulators

FRL Combination

Metal Filter Cartridges

Push In Fittings

Hoses & Tubings

Hydraulic Solenoid Valve

Hydraulic VP 120 Valve

Hydraulic Cylinders

Hydraulic Directional Control Valve

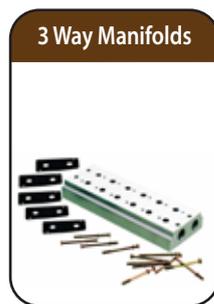

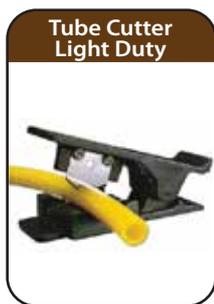

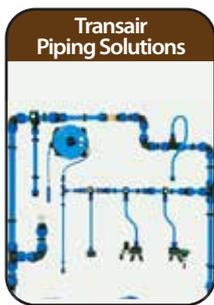

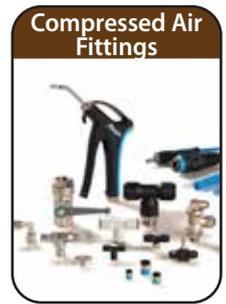

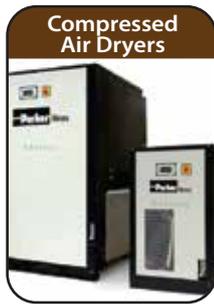

Hydraulic Motor

Hydraulic Pumps

PRODUCTS : COMPRESSED AIR SOLUTIONS

PRODUCTS : FILTRATION SOLUTIONS

Spin On Series Fuel Filter/Water Separator

Turbine Series Fuel Filter/Water Separator

Engine Air Filtration

Reservoir Equipment

Suction Line Filters

Compressed Air & Gas Filters

UL Marine Fuel Filtration

Crank Case Ventilation System

Hydrocarbon Filter Vessels

Refrigeration & Absorption Air Dryers

Breathing Air Purifier

Filter Elements

High Pressure Compressed Air Filter Upto 350 bar g

Filters for Industrial Gases

Fuel & Oil Contamination Monitors (LCM)

Portable Dew Point Meter

ParFit Compressed Air Elements

Water De-Salination Purification System

Portable Filtration Unit

High/Medium Pressure Filters

Duplex Filters

High Pressure Air Gas Filter

Duplex Filter Vessels

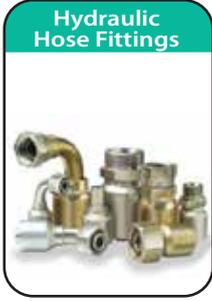

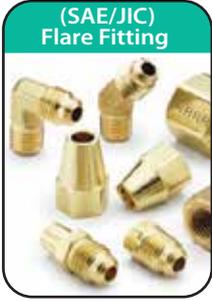

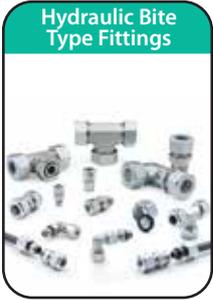

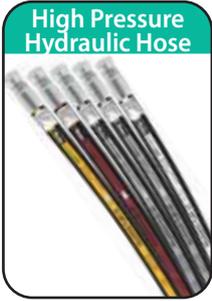

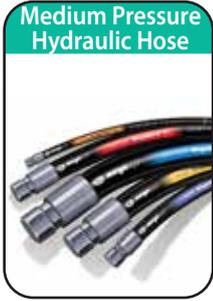

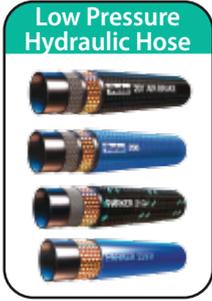

Liquid Filtration Cartridges

HOSES & HOSE FITTINGS

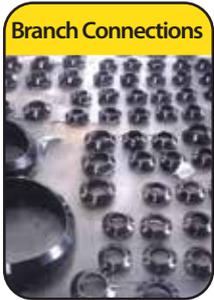

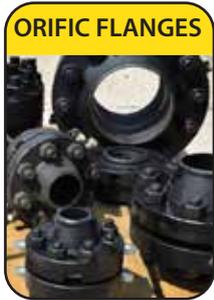

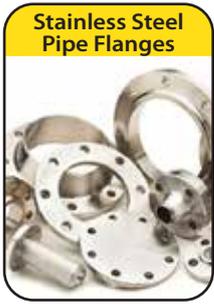

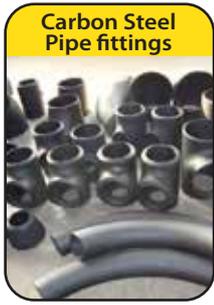

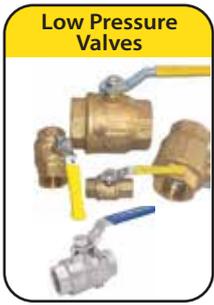

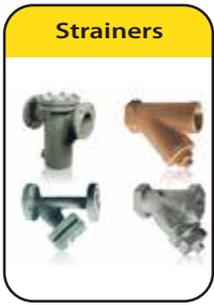

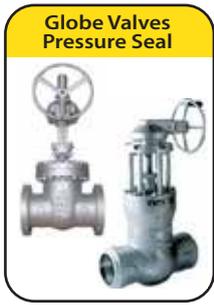

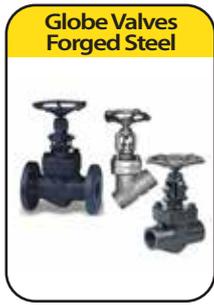

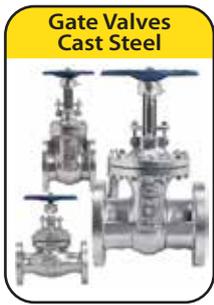

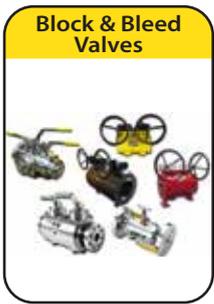

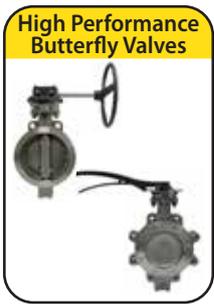

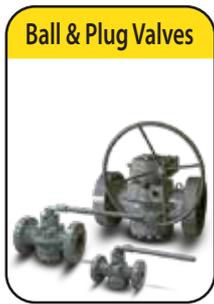

TUBE & FITTINGS

O-RINGS, SEALS, MACHINES & TOOLING ACCESSORIES.

PRODUCTS : FLOW CONTROL VALVES & PIPE FITTING/FLANGES

PRODUCTS : AIR & GAS GENERATION SOLUTIONS

Nitrogen Gas Generators For Labs

Nitrogen Gas Generators Industrial

Membrane Nitrogen Gas Generators

Nitrogen Generator for gas blanketing

Industrial Nitrogen Isocyanate Blanketing

Hydrogen Generator for laboratory

Hydrogen Gas Generators Industrial

Hydrogen Generator (PEM) Proton Exchange Membrane

Hydrogen Generator For Fuel & Carrier Gas

Hydrogen Generator for fuel gas

Hydrogen Generators for Gas Chromatography

FT-IR Purge Gas Generator

Lab Gas Generators

Ultra Dry Air Gas Generator

Atomic Absorption Gas Purifier

Breathing Air Purifier

Breathing Air Purifier Industrial

Industrial Oil Chillers

CO₂ Purifier for Beverage Industry

Heatless Desiccant Compressed Air Dryer

Large Flow Heatless Compressed Air Dryer

Blower Purge Desiccant Dryer

PRODUCTS : AC/DC DRIVES INDUSTRIAL SOLUTIONS

Soft Starters & Variable Speed Drives

AC Inverter Drives

AC to DC Motor Speed Controllers

Analog DC Drives

AC Variable Frequency Drives

DC Drive Line Up Panels

Pump Control Centre cum VFD

Motor Control Centre (MCC)

AC Drive Line Up Panels

Program Logic Controller (PLC)

Control Desk

Integrated Automation Controllers

Online THM Analyzer

High Power Servo Drives

Mobile Drive For Induction Motors

HMI Solution Panel

Digital DC Drive/Motor Panel

Stepper Drives

PLC Panels

PCC cum VFD Panels

PCC Panels

APFC Panels

MCC Panels

DC Drive Panels

PRODUCTS : INDUSTRIAL HYDRAULICS TOOLS & EQUIPMENTS

PRODUCTS : ADHESIVE & SEALANTS

PRODUCTS : CNG STATION SOLUTIONS
